# REPORT OF THE SUPERINTENDENT OF SCHOOLS

*To the Honorable Board of School Directors and Citizens:*

I am pleased to submit my eleventh annual report of the schools of Clarendon.

Seven schools are being maintained during the present year.

Statistics relating to teachers are as follows:

Name of Teacher	State Rebate Per Week	Name of School	Kind of Certificate
Mrs. Louise Roberts.....	\$5.00.....	Clarendon Flats.....	E. P. Standard
Ruth Hatch.....	5.00.....	Hill School.....	E. P. Standard
Cecelia McMahon.....	5.00.....	North Clarendon.....	E. P. Standard
Mrs. Zella Cartland.....	5.00.....	Clarendon Spgs.....	E. P. Standard
Marion Merrill.....	3.50.....	East Clarendon.....	E. L. Standard
Mrs. Ellen Potter.....	3.00.....	Chippenhook.....	E. L. Standard
Angeline Carrara.....	5.00.....	East Street.....	E. P. Standard

The state rebate on the above teachers is \$31.50 per week, or \$1,071.00 for the year.

The enrollment and attendance of pupils are given below:

Name of Teacher	Girls	Boys	Per cent of Attendance
Mrs. Louise Roberts.....	13.....	9.....	96
Ruth Hatch.....	13.....	18.....	84
Cecelia McMahon.....	14.....	11.....	97
Mrs. Zella Cartland.....	12.....	17.....	94.9
Marion Merrill.....	5.....	13.....	98
Mrs. Ellen Potter.....	8.....	9.....	96.4
Angeline Carrara.....	4.....	4.....	98
Enrollment of girls.....	69		
Enrollment of boys.....		81	
Total enrollment.....		150	
Average per cent of attendance.....			94.9%
Number of pupils repeating work....	Grade II—2, Grade III—3, Grade IV—2, Grade V—6, and Grade VI—1.		
Number of visits by parents and citizens during fall term.....			46

Cost per elementary pupil during the school year, ending June, 1934, is \$37.59.

It will be noticed in this report that the enrollment of pupils for the entire town has increased over last year, and the record of attendance remains excellent, with the exception of the Hill school where there was considerable sickness during the fall term, and it was necessary to suspend sessions for a short time.

The general work of the different schools has been of a very substantial character and much credit is due the teachers for their faithful services in maintaining the best schools possible.

We cannot impress upon the minds of the parents too strongly the importance of good attendance, which is the very foundation of success in school work. We are indeed grateful for the splendid cooperation on the part of all in this particular.

The teacher at Clarendon Flats, Mrs. Roberts, has created a great deal of interest in music in her school. Mrs. Taft from Wallingford has been the music teacher for several weeks and we expect that this work will continue through the year. This kind of a project should be encouraged in other rural schools. You would be interested to know that through the efforts of Mrs. Francis L. Bailey of Montpelier, Mrs. Roberts has received a check of ten dollars towards paying the expenses of her musical program.

The school directors have made improvements in some of the schools and have installed a much needed heating plant at East Clarendon.

The enrollment at North Clarendon and the Hill school has been 56 pupils during the fall term. This is an indication of a growing school population in these two districts and, inasmuch as there may be a possibility of liberal aid through the Federal Emergency Appropriations in public buildings next summer, it might be well to give this matter some consideration.

The hearty cooperation that is manifested by all parties concerned in the general welfare and educational opportunities of the children is very satisfying indeed.

Respectfully submitted,  
F. W. WALLACE,  
*Superintendent of Schools.*
